Hillside Primary School Pupil Premium Policy

Pupil Premium Champion: Mrs K Schonau

Pupil Premium Link Governor: Andrew Wragg

Policy Mission Statement:

All pupils at Hillside Primary School will have the opportunity to achieve their full potential regardless of their personal circumstances.

Aims of the Policy:

To evidence that the allocation of Pupil Premium funding to Hillside Primary School is used effectively to raise achievement and close the gap between pupils from low income families and their peers.

Pupil Premium- What is it?

Pupil Premium is additional funding, from the government, provided to schools for supporting more pupils from low income families to ensure they benefit from the same opportunities as all other children. There are three categories of children that qualify for pupil premium:

- Children who are eligible for free school meals (FSM)
- Looked after children
- Armed forces children

The Government believes that the Pupil Premium funding is the best way to address the current underlying inequalities between 'Disadvantaged children' and their wealthier peers by ensuring that funding to tackle disadvantage reaches the pupils who need it most.

The Government are not dictating how schools should spend this money, but are clear that schools will need to employ the strategies that they know will support their pupils to increase their attainment, and 'narrow the gap'.

Provision

At Hillside Primary School a small proportion of children are eligible for pupil premium.

All our staff and governors accept responsibility for 'socially disadvantaged' pupils and are committed to meeting their pastoral, social and academic needs within a caring environment. The targeted and strategic use of pupil premium will support us in achieving our vision.

We will ensure that teaching and learning opportunities meet the needs of **all** pupils and that appropriate provision is made for pupils who belong to vulnerable groups. This includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed.

In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged. We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals.

We reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has identified as being socially disadvantaged.

Limited funding and resources means that not all children receiving free school meals will be in receipt of pupil premium interventions at any one time.

As part of the additional provision made for pupils who belong to vulnerable groups, the Governors of the school will ensure that the needs of socially disadvantaged pupils are adequately assessed and addressed through termly pupil progress meetings.

Reporting

It will be the responsibility of the Headteacher and Link Governor to report to Governors outlining:

The **allocation of Funding**

The **provision** that has been made

The **impact** of this Provision

The Governors of the school will ensure that there is an annual statement to parents on how the Pupil Premium funding has been used to address the issue of 'narrowing the gap', for socially disadvantaged pupils. This task will be carried out within the requirements published by the Department for Education and will appear on our school website
