<b>3</b>	You did not understand the learning today and did not achieve the lessons objective.

What I think...	
Effort	
<b>A</b>	I tried really hard today I avoided distractions I challenged myself.
<b>B</b>	I could have tried harder I concentrated for most of the lesson I know I could have done more.
<b>C</b>	I really wasn't trying today I let things distract me from my learning I will need to try much harder next lesson.
Understanding	
<b>1</b>	I am confident enough to explain it to someone else. I have achieved or exceeded the learning objective.
<b>2</b>	I understood most of this and feel I have nearly met the learning objective.
<b>3</b>	I really struggled with today's learning and do not feel that I have met the learning objective.
