

Let's Investigate!!!!

Magic Floating Eggs

What you will need: one egg, water, salt, a tall drinking glass

1. Pour water into the glass until it is about half full.
2. Stir in lots of salt (about 6 tablespoons).
3. Carefully pour in plain water until the glass is nearly full (be careful to not disturb or mix the salty water with the plain water).
4. Gently lower the egg into the water and watch what happens.

Erupting Fountain!!!

What you will need: Large bottle of fizzy pop, a pack of Mentos.

1. Make sure you are doing this experiment in a place where you won't get in trouble for getting fizzy pop everywhere. Outside on some grass is perfect, please don't try this one in your family lounge!!
2. Stand the fizzy pop bottle upright and unscrew the lid.
3. Time for the fun part, drop the Mentos into the fizzy pop and run like mad!

Homemade Gloop

You will need: 2 cups of cornflour, 1 cup of water, Food Colouring

1. Place the cornflour into a large bowl and place a few drops of colouring into the centre. Have the water ready for your child to pour into the container.
2. Mix the water into the cornflour and colouring. It will take some time to mix together. What does it feel like?
