

Maths Home Learning Grid - Year 2

Week Commencing: 1.3.21 (Book Week)

Don't forget to access the worksheets attached separately. Each question increases in difficulty. Work through the worksheet to where you feel comfortable. If any of the tasks are too hard for you, refer to the year 1 maths home learning grid or request help through the year 2 home learning email.

<p><u>Monday 1st March</u> <u>Draw pictograms (1-1)</u></p> <p>https://vimeo.com/501673699</p> <p>Use the following link to watch the lesson. Then complete the worksheet.</p>	<p><u>Tuesday 2nd March</u> <u>Interpret pictograms (1-1)</u></p> <p>https://vimeo.com/501674074</p> <p>Use the following link to watch the lesson. Then complete the worksheet.</p>	<p><u>Wednesday 3rd March</u> <u>Draw pictograms (2, 5 and 10)</u></p> <p>https://vimeo.com/504483835</p> <p>Use the following link to watch the lesson. Then complete the worksheet.</p>	<p><u>Thursday 4th March</u> <u>Interpret pictograms (2, 5 and 10)</u></p> <p>https://vimeo.com/504484570</p> <p>Use the following link to watch the lesson. Then complete the worksheet.</p>	<p><u>Friday 5th March</u> <u>Block diagrams</u></p> <p>https://vimeo.com/504485413</p> <p>Use the following link to watch the lesson. Then complete the worksheet.</p>
<p><u>Times Table Focus:</u> Concentrate on your 2 and 10 times tables. Do you know the corresponding division facts? Can you give the answer in less than 6 seconds? E.g. $6 \times 2 = 12$ so $12 \div 2 = 6$ $3 \times 10 = 30$ so $30 \div 10 = 3$ Use TT Rockstars to help you</p>		<p><u>Key Skills Practice</u> Now you are all brilliant at using coins, practise this skill at home. Draw some amazing pictures and set up a shop! Sell the pictures to your parents. Set a small price and check that your parents have given you the right amount. Do you need to give them change?</p>
