

This strategic plan is in place to support an environment for school staff and pupils to thrive together at Hillside Primary School. It is rooted in a culture of collective responsibility for disadvantaged pupils and based upon assessment and knowledge of individual pupils rather than assumptions.

This plan takes a learning-led rather than a label-led approach and is an evidence informed, tiered model of teaching & learning, academic and wider approaches.

It works alongside curriculum equity- Hillside offers a broad and balanced curriculum for all.

This plan mirrors our wider school development plan but is ‘through the lens’ of our disadvantaged pupils and families. At this time, we consider all of our children to be disadvantaged following the pandemic and its disruption to education.

Pupil Premium Strategy Statement

This statement details our school's use of pupil premium (and recovery premium for the 2021 to 2022 academic year) funding to help improve the attainment of our Pupil premium pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

Part A: Pupil premium strategy plan

Statement of intent

The Government are not dictating how schools should spend this money, but are clear that schools will need to employ the strategies that they know will support their pupils to increase their attainment, and 'narrow the gap'.

All our staff and governors accept responsibility for 'socially Pupil premium' pupils and are committed to meeting their pastoral, social and academic needs within a caring environment. The targeted and strategic use of pupil premium will support us in achieving our vision.

We will ensure that teaching and learning opportunities meet the needs of **all** pupils and that appropriate provision is made for pupils who belong to vulnerable groups. This includes ensuring that the needs of socially Pupil premium pupils are adequately assessed and addressed.

In making provision for socially Pupil premium pupils, we recognise that not all pupils who receive free school meals will be socially Pupil premium. We also recognise that not all pupils who are socially Pupil premium are registered or qualify for free school meals.

We reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has identified as being socially Pupil premium.

As part of the additional provision made for pupils who belong to vulnerable groups, the Governors of the school will ensure that the needs of socially Pupil premium pupils are adequately assessed and addressed through termly pupil progress meetings.

It will be the responsibility of the Headteacher and Link Governor to report to Governors outlining:

The **allocation of Funding**

The **provision** that has been made

The **impact** of this Provision

Our ultimate objective is to 'level the playing field' for Pupil premium pupils so they have the same opportunities, experiences and aspirations as their non-Pupil premium counterparts and this is achieved by bespoke support catering for each individual's needs. In turn, success will be evidenced with little or no gap between PP and their non-pp counterparts.

Challenges

This details the key challenges to achievement that we have identified among our Pupil premium pupils.

Challenge number	Detail of challenge
1	Many of our PP children fit into other vulnerable groups such as SEND
2	PP children may have less rich, varied experiences and as such KUW and vocabulary acquisition is more limited.

3	PP children may have limitations to the support they receive at home.
4	PP children may read less widely
5	PP children may need to improve their phonics and reading skills
6	PP children may need access to wellbeing opportunities to support SEMH needs

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

	Intended outcome	Success criteria
1	All children and all vulnerable groups to make good progress from their individual starting points. For PP children to attain at least as well as their non-PP counterparts.	High quality first teaching, supported by high quality support staff meeting the needs of all children through carefully planned, targeted interventions. PP children progressing and attaining in line with or better than their peers.
2	PP children to have access to a plethora of opportunities and enrichments and experiences through our curriculum and extra- curricular provision.	PP to be accessing a wide range of enrichments and opportunities to be planned both curricular and extra-curricular. PP children to have opportunities to take leadership roles in school to develop skills and interests.
3	Parents to have the skills, ability and motivation to support their child's learning.	Parental workshops, open door policy & fluid communication enable a culture of trust and support between home and school. Provision of a homework club to give the extra support if needed. Incentives for completing home tasks on a regular basis.
4	PP children to have a love of reading, to read often and to be able to discuss their favourite authors, genres, books and characters.	Each child to receive a gifted book per term to build a library of high quality texts within the home. A classroom and school lending library, reading for pleasure scheme, and break time reading enrichment all support reading experiences. PP children to be heard read regularly.
5	PP children to have the support to make good progress from their individual starting points. For PP children to attain at least as well as their non-PP counterparts in phonics and reading.	High quality, government approved Phonics scheme in places with relevant training for all staff. High quality first teaching, supported by high quality support staff meeting the needs of all children. Phonics and Reading interventions tailored to children's specific needs.
6	Children to feel happy, safe, valued and supported at Hillside Primary School. Bespoke interventions catering to the academic and mental health needs of each individual child.	High quality, bespoke interventions and support in place. CPD for school staff, supported by high quality training and resources.

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2020 to 2021 academic year.

Due to COVID-19, national tests did not take place in July 2020 there is therefore no national data and performance measures have not been published for 2020 to 2021.

Children at Hillside however, completed city-wide diagnostic assessments in Reading, Maths and Science.

Children were assessed using teacher judgements.

Key Stage 2 attainment

Number of Pupil premium pupils in the cohort = 6

How did you spend your service pupil premium allocation last academic year?	Relax Kids Supervision for the Little Troopers Roadshow
<ul style="list-style-type: none">What was the impact of that spending on service pupil premium eligible pupils?	Both of these were greatly appreciated as Dad was posted on a mission for much of this year. Alongside these, the boys benefitted from regular check-in sessions and were more supported, emotionally able to deal with the deployment of Dad.
