Common Exception Words

Read a few common exception words matched to the school's phonic programme.

To read Y1 common exception words, noting unusual correspondences between spelling and sound and where these occur in words.

To read most Y1 and Y2 common exception words*, noting unusual correspondences between spelling and sound and where these occur in the word.

To read most words containing common suffixes.*

To begin to read Y3/Y4 exception words.*

To read all Y3/Y4 exception words*, discussing the unusual correspondences between spelling and these occur in the word.

To read most Y5/Y6 exception words, discussing the unusual correspondences between spelling and sound and where these occur in the word.

Understand the five key concepts about print:
 print has meaning

- the names of different parts of a book
- print can have different purposes
- page sequencing
- we read English text from left to right and from top to bottom

Blend sounds into words, so that they can read short words made up of letter-sound correspondences.

Read simple phrases and sentences made up of words with known letter-sound correspondences and, where necessary, a few exception words.

Re-read books to build up their confidence in word reading, their fluency and their understanding and enjoyment.

To accurately read texts that are consistent with their developing phonic knowledge, that do not require them to use other strategies to work out words.

To reread texts to build up fluency and confidence in word reading.

To read aloud books (closely matched to their improving phonic knowledge), sounding out unfamiliar words accurately, automatically and without undue hesitation.

To reread these books to build up fluency and confidence in word reading.

To read words accurately and fluently without overt sounding and blending, e.g. at over 90 words per minute, in age-appropriate texts.

At this stage, teaching comprehension skills should be taking precedence over teaching word reading and fluency specifically. Any focus on word reading should support the development of vocabulary.
